Notice of Coverage Options—Uninsured Motorist Coverage

This form describes some available coverage options. If you need assistance to determine if an option is appropriate for you, or if you want to change or select new coverage options, please call Customer Service. These options may save you money.

The coverage options described below are subject to the terms and conditions of your insurance policy. If there is any conflict between this form and the policy terms, the policy shall govern.

Uninsured Motorist (UM) Coverage Options**1. Rejection of UM Coverage**

You are not required by law to buy UM coverage. If you do not buy UM coverage and you are in an accident with an uninsured motorist, you may not have any coverage for bodily injury.

2. Non-Stacked & Stacked UM Coverage Limit Options

If you buy UM coverage, you may elect to have your UM coverage limits non-stacked, and pay a lower premium. Non-stacked coverage means that when injury occurs while in a covered vehicle, you are entitled to only the coverage on that vehicle. If you buy stacked UM coverage, and you, a relative, or a rated resident who resides in your household sustain a bodily injury, the coverage from each vehicle listed on the policy may be added together to determine the total amount that may be recovered. If you purchase UM coverage and have not elected non-stacked coverage, we will issue your policy with stacked UM coverage.

3. UM Coverage Limits Lower than Bodily Injury Coverage Limits

You may buy UM coverage with limits lower than the limits you have selected for Bodily Injury Liability Coverage. UM coverage may also be purchased with limits equal to but not greater than your Bodily Injury Liability Limits.

4. Named Driver Exclusion

If you have asked us to exclude any person from coverage under this policy, and you have purchased Part III—Uninsured Motorist Coverage (either non-stacked or stacked), then we will not provide coverage for any claim or suit under Part III—Uninsured Motorist Coverage arising from an accident or loss sustained by the excluded driver or resulting from the operation of a motorized vehicle by the excluded driver. An excluded driver is responsible to establish, maintain, and show proof of financial ability to respond to damages arising out of the ownership, maintenance, or use of a motor vehicle as required by the financial responsibility laws of Florida.
